PETROCKSTOWE PARISH COUNCIL

Risk Management Policy

Readopted on 16th May 2023

Readopted on 16th July 2024

This document sets out Petrockstowe Parish Councils approved and agreed practices. Any deviation must be made by resolution of the full Council and recorded below.

This Policy was adopted on 18th January 2022 and will be reviewed annually from May 2023.

THIS IS A CONTROLLED DOCUMENT.

Whilst this document may be printed, the electronic version maintained on the Petrockstowe Parish Council laptop is the controlled copy. A .pdf version of this document is published on www.Petrockstowepc.co.uk Any printed copies of this document are not controlled.

Risk assessment is a systematic general examination of working conditions, workplace activities and environmental factors that will enable the Parish Council to identify any and all potential inherent risks. The Parish Council, based on a recorded assessment, will take all practical and necessary steps to reduce or eliminate the risks, insofar as is practically possible.

This document has been produced to enable Petrockstowe Parish Council to assess the risks that it faces and satisfy itself that it has taken adequate steps to minimise them.
